

Our Charitable and Community Partnerships

Red Elephant is committed to giving back to the communities that help make us a success. One way we do this is through our Share Events. For qualifying local organizations, we offer the opportunity to partner with Red Elephant for a day. This special Share Event is promoted by your organization, and in return, Red Elephant gives you 15% of the proceeds from customers who come out to support your cause.

We have had an amazing response to this program. Some of our partners include:

American Cancer Society Relay for Life

Hospice

FSU Dance Marathon for Children's Miracle Network

Leon County Schools

Leukemia and Lymphoma Society

March of Dimes

Prudential - Davis Productivity Awards by Florida TaxWatch

Ronald McDonald House

Susan G. Komen for the Cure

Junior League

Tallahassee Parks and Recreation Department

YMCA

Young Life

For Share Event information, please contact the Manager of your local Red Elephant Pizza and Grill.
